Max X5

X5

Crafted with exacting attention to detail and engineered for longevity, the Genius Max X5 oscillating floor scrubber embodies true performance and forward-thinking design. Every component has been purpose-built to provide outstanding strength, mobility and reliability, even in the most demanding environments.

Features & Benefits

At it's foundation is a premium AISI 304 stainless steel frame that delivers superior corrosion resistance and lasting durability. This is complemented by an anodised aluminium base, offering a perfect blend of lightweight agility and the structural rigidity required for exceptional stability and support. Precision Torx fasteners keep all components firmly secured under stress.

Versatile - Fast, efficient and adaptable, performing flawlessly in both operation and transport. Remarkably agile and easy to handle in any environment.

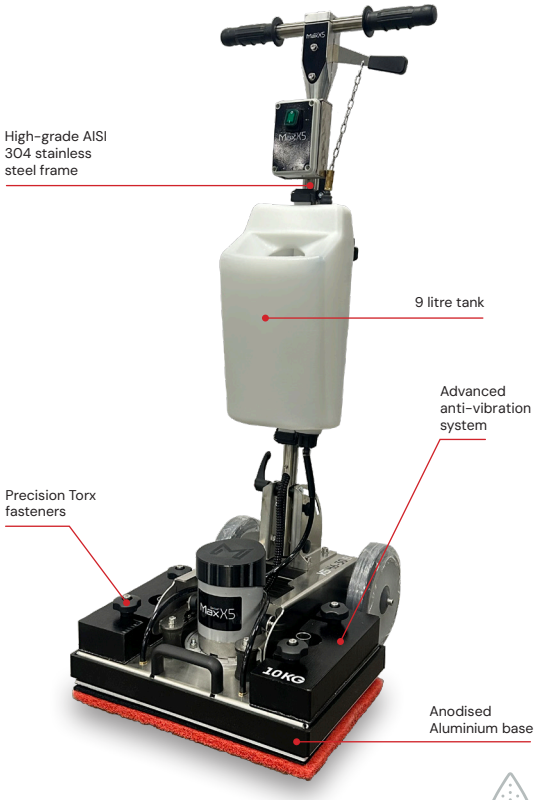

Ergonomic - With perfect balance and an exclusive anti-vibration dampers, ensures smooth, comfortable handling allowing operators to work with precision and minimal effort.

Powerful - Equipped with a 2800rpm motor that delivers an intense washing action that removes even the most stubborn dirt with ease and efficiency.

Economic - Designed for efficiency and sustainability, it reduces working time by up to 50% while cutting water and chemical consumption, optimising both performance and cost.

X5 Specifications

Motor power	300W
Voltage	36V
Rotation	2800rpm
Motor height	25cm
Work surface	46cm x 30cm
Weight	45kg
Noise level	64db
Tank capacity	9L
Handle height from the ground	110cm
Battery run time	75min
Charger	36V/3Ah
Lithium battery	36V/12,8Ah
Protection class	IP55
Certification	CE

9L 46cm
