Max X3

X3

The Genius Max X3 oscillating floor scrubber is crafted with precision and built to endure, the Genius Max X3 stands as a symbol of performance and innovation. Every detail has been thoughtfully designed to deliver unmatched strength, mobility and reliability even in the most demanding environments.

Features & Benefits

At it's core lies a high-grade AISI 304 stainless steel frame, offering exceptional corrosion resistance and long-lasting durability. This is paired with an anodised aluminium base, combining lightweight agility with the rigidity needed for superior stability and support.

Precision Torx fasteners ensure every component stays secure under pressure, while high-temperature vibration dampers maintain smooth, quiet in operation in continuous-use conditions.

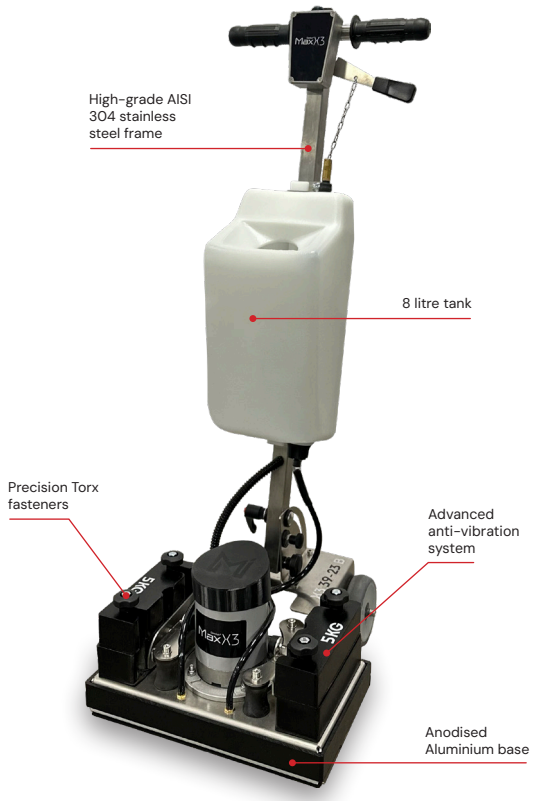

X3 Specifications	
Motor power	250W
Voltage	36V
Rotation	2800rpm
Motor height	25cm
Work surface	39cm x 23cm
Weight	30kg
Noise level	60db
Tank capacity	8L
Handle height from the ground	110cm
Battery run time	2hr
Charger	36V/3Ah
Lithium battery	36V/12,8Ah
Protection class	IP55
Certification	CE

Versatile - Outstanding performance both in operation and transport. Highly manoeuvrable and offering up to two hours of runtime with it's onboard lithium battery.

Ergonomic - Perfectly balanced and equipped with an advanced anti-vibration system, ensures smooth, comfortable operation with minimal effort for the user.

Powerful - Driven by a 2800rpm motor it delivers a deep, dynamic cleaning action that removes even the toughest dirt effortlessly.

Economic - Cuts working time by up to 50% while reducing water and chemical usage, maximising efficiency and sustainability.
