

Max by Genius®

Max G40^{RB}

G40^{RB}

The G40^{RB} is a powerful auto ride-on floor scrubber dryer, known for its durability and robust quality. It is the most efficient floor cleaning machine in the Genius line-up, delivering high performance and productivity. Featuring a smart design, it allows for automatic brush disc lifting and replacement, making maintenance quick and easy.

The G40^{RB} offers three options for brushes, RPM and display screen, giving you flexibility for various cleaning needs.

Features & Benefits

Durable design with exceptional cleaning efficiency

The 150L water tank, 860–1050mm cleaning width and long-lasting durability help save time and efficiently completes cleaning tasks.

Intelligent control system for enhanced safety

The system features brush disc overload protection, an emergency stop for collisions and automatic deceleration when turning or reversing, ensuring a safer operation.

Clean faster and smarter

With a single button, the brush disc and squeegee automatically lift, while the smart LCD screen simplifies machine operation for greater convenience.

G40^{RB} Specifications

Cleaning width	1050mm
Squeegee width	1200mm
Working efficiency	36830m ² /h
Brush quantity	2 PCS
Brush diameter	485mm
Brush pressure	25–85kg
Brush rpm	220rpm
Brush motor	DC36/550*2V/W
Vacuum motor	DC36/738V/W
Traction motor	7DC36/800V/W
Forward speed	0–6.5Km/h
Solution tank	150L
Recovery tank	170L
Max gradeability	18%
Machine dimensions (squeegee excluded*)	1670 X 1020 X 1310mm

*Dimensions L | W | H
