Refined essentials for exceptional spaces.

Entirely crafted in Italy, every Nefél product reflects a commitment to exceptional quality, blending carefully selected ingredients with meticulous attention to detail, from sustainably considered packaging to timeless, minimalist design.

Nefél's understated elegance enhances every space, leaving a lasting impression through simplicity, quality, and thoughtful design.

Complementing the collection, selected soaps are certified with the EU Ecolabel, offering an additional guarantee of environmental responsibility alongside the high standards of performance and care that define the Nefél brand.

Green Philosophy

Blending sleek, minimalist design with functionality Nefel dispensers are made from 100% recycled material. It not only reduces operational costs but also makes a meaningful impact on the environment.

The precise, controlled dispensing ensures the perfect dose every time, eliminating waste and maximising product performance. When it's empty, refilling is quick, simple, and seamless for your team.

Refill System

1. Reduces plastic waste
Avoids the use of single-dose products and is long-lasting.

2. Limits product waste
Dispenses the desired quantity.

3. Lowers costs
The large size guarantees considerable savings.

4. Easy to fill
Easy re-filling with the 5L Refill bottle and pump

5. Speeds up cleaning
Allows scheduling of filling, without daily intervention.
