REVIVE BROCHURE

Revive Genius®

Revive by Genius®

Revive is a professionally curated range of high-performance cleaning chemicals, tools and janitorial supplies, developed to deliver reliable results across a wide range of commercial environments.

- Designed for professional cleaning wherever high standards matter
- Helps businesses maintain cleaner, safer and more hygienic environments
- Engineered for outstanding cleaning performance and consistent results

In the range

CHEMICALS • SKINCARE • MICROFIBRE • CLOTHS • MOPS • POLES & FRAMES

Nefél by Genius®

Nefél combines signature fragrances with Italian craftsmanship to offer a distinctive alternative to traditional luxury brands. From soaps and lotions to hair and body care, each product is carefully designed to work in harmony, creating a cohesive and elevated guest experience.

- Suitable for hotels, restaurants, offices and workplace environments
- Includes environmentally responsible EU Ecolabel-certified soap options
- Brings an understated elegance to everyday spaces

In the range

HAND SOAPS • BODY WASH • SHAMPOOS • CONDITIONERS • LOTIONS
BOTTLE HOLDER • WALL KIT • PLEXI GLASS STAND

NEFÉL Genius®

SPRINT BROCHURE

Sprint by Genius®

Built for commercial performance, our vacuum range delivers the ideal balance of durability, value and ease of use. Designed to meet the demands of daily operation, these machines are trusted across multiple sectors.

- Commercial-grade vacuum cleaners built for everyday performance
- Battery-powered and mains-powered models available
- Suitable for hospitality, healthcare, education and commercial facilities

In the range

HAND • STICK • TUB • UPRIGHT • WET & DRY • SMALL SWEEPER

Sprint Genius®

SATINO BROCHURE

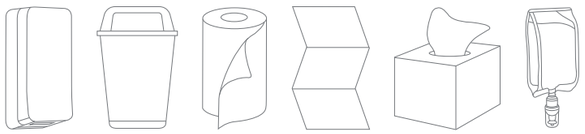

Satino by Genius®

A complete washroom system that combines hygiene paper with a co-ordinated range of professional dispensers.

Dispensers are available on a free-on-loan basis*, linked to ongoing paper supply, making it easy to maintain consistent hygiene standards without capital investment.

- Modern black or white finishes
- Clear fill-level visibility for quick and efficient servicing
- Universal back plate to minimise disruption

In the range

DISPENSERS • WASTE BINS • TOILET TISSUE • HAND TOWELS • ROLL PAPER
FACIAL TISSUES • HAND SOAP • HAND GELS

*Minimum quantities apply

MODU BROCHURE

Modu Genius®

Modu by Genius®

Modu is a versatile, fully configurable trolley system developed to meet the needs of modern hospitality, healthcare, janitorial and multi-service operations.

Modu helps streamline workflows, improve organisation and support efficient day-to-day operations without compromising on durability or ease of use.

- Secure, lockable storage keeps supplies organised and protected
- Robust construction with an impressive 300kg load capacity
- Smooth, easy manoeuvrability for improved operator efficiency

In the range

HOSPITALITY • LAUNDRY • HEALTHCARE • MULTI-SERVICE • JANITORIAL
CUSTOMISABLE

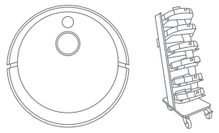

Swift by Genius®

Designed specifically for the demands of commercial environments, the Swift robotic vacuum includes adaptations that support consistent, reliable cleaning with a theoretical cleaning rate of approximately 100m² per hour per machine.

- Automates routine vacuuming to improve operational efficiency
- Over 16,000 units operating across the UK delivering a typical return on investment in as little as 3 months
- Trusted by businesses across the hospitality sector and other commercial environments

In the range

SWIFT • SWIFT PRO • BASE STATION

SWIFT BROCHURE

Swiift Genius®

MAX BROCHURE

Max Genius®

Max by Genius®

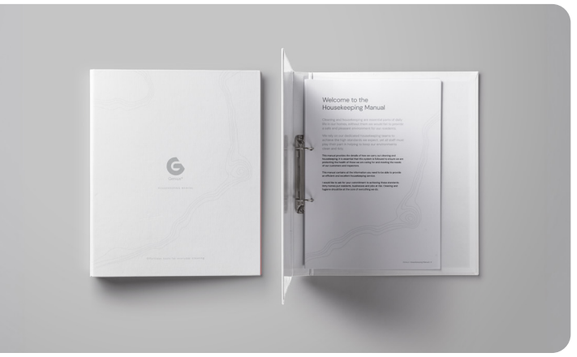

Max offers a comprehensive range of scrubber dryers, sweepers and oscillating floor machines designed to meet the demands of everyday commercial cleaning. With user-friendly operation, the range is easy to train on and enables teams to work efficiently from day one.

- Solution tanks from 12L - 150L
- Pre-site surveys ensure the right machine is selected for every application
- Comprehensive service and maintenance packages for ongoing support
- Flexible finance options make it easy to invest in the latest cleaning technology

In the range

OSCILLATORS • SCRUBBER DRYERS • SWEEPERS

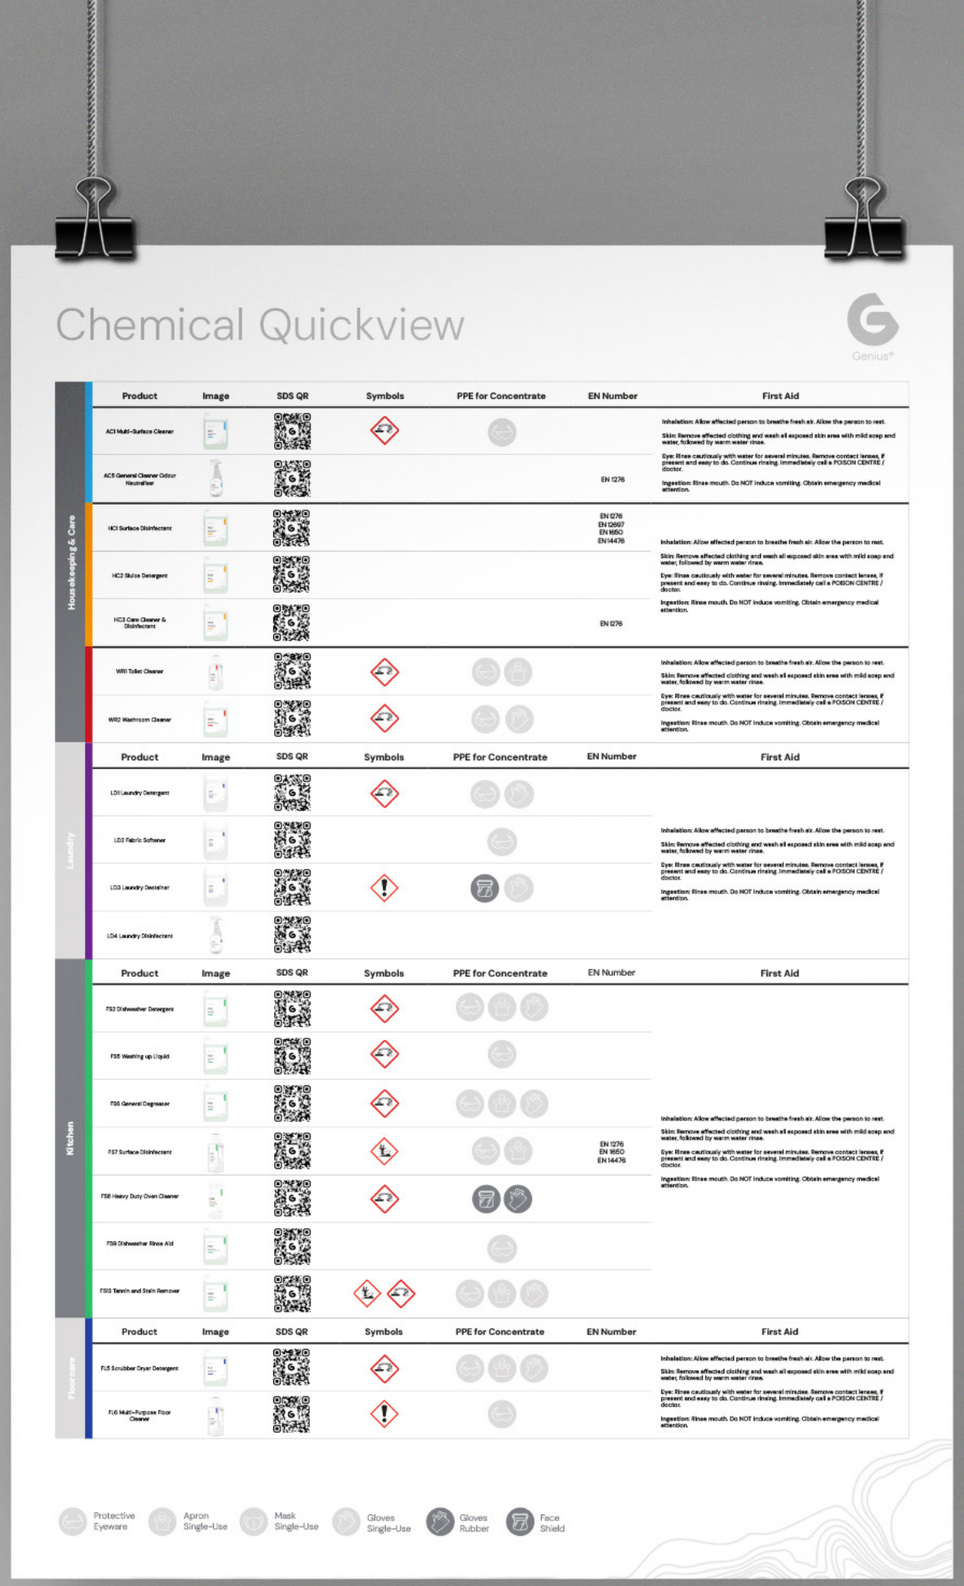

Toolkit by Genius®

The Genius Toolkit is designed to bring our products together into centralised resources to be used throughout your daily operations.

With our Revive range, we can support with:

- Chemical Quickview posters: for improved QA and health and safety
- Trolley laminates: enabling staff to use the correct products in the correct locations.
- Guidance and touchpoint signage

If you are adopting the whole Genius solution, we can work with you to produce a bespoke housekeeping manual. Detailing chemicals, microfibres, trolleys, vacuums and your associated processes.
