Max X4

X4

Engineered with care and built to last, the Genius Max X4 oscillating floor scrubber represents the pinnacle of modern performance and innovation. Every element has been purposefully crafted to deliver exceptional strength, mobility, and reliability, even in the harshest conditions.

Features & Benefits

At it's core is a premium AISI 304 stainless steel frame that provides outstanding corrosion resistance and long-term durability. This is complemented by an anodised aluminium base, offering a balance of lightweight manoeuvrability and the rigidity required for superior stability and support.

Precision Torx fasteners keep every component firmly in place under stress, while high-temperature vibration dampers ensure smooth, quiet operation during continuous use.

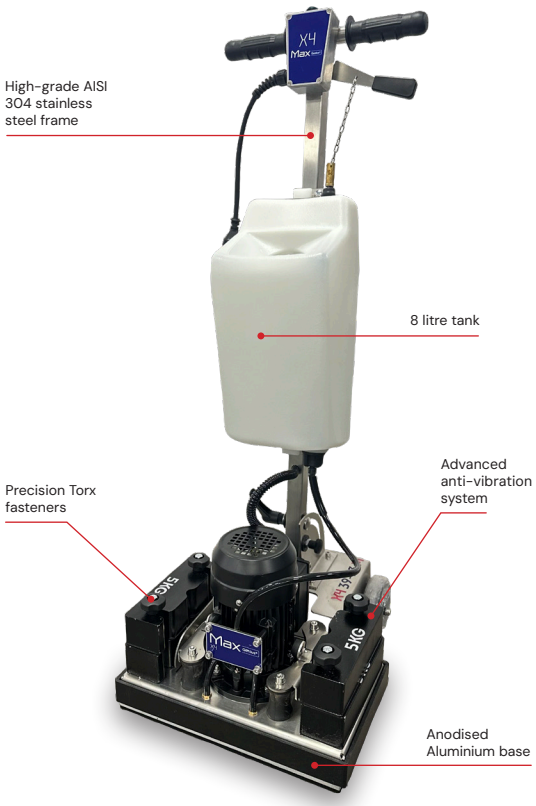

Versatile - Fast, efficient and easy to handle, delivering outstanding performance in both operation and transport. Remarkably agile and adaptable.

Ergonomic - With perfect balance and an anti-vibration dampers this ensures smooth, comfortable control for effortless operation.

Powerful - Driven by a 2760rpm motor it's built for heavy-duty cleaning. Weighing 10kg more than the standard model, it removes even the toughest dirt with ease.

Economic - Designed for efficiency, it cuts working time by up to 50% while reducing water and chemical use, saving both time and resources.

X4 Specifications	
Motor power	550W
Voltage	230V
Rotation	2760rpm
Motor height	28cm
Work surface	39cm x 23cm
Weight	40kg
Noise level	59db
Tank capacity	8L
Cable length	15m
Handle height from the ground	110cm
Protection class	IP55
Certification	CE

8L 39cm
